CONVENTION UPDATE

APRIL 2020

EXTRA

*Virginia Division
United Daughters of the Confederacy®
April 6, 2020*

Dear Daughters

The Corona Virus – COVID 19 – has really caused a lot of cancellations and changed a lot of plans. The 2020 Division Convention Committee still has to plan for the convention in October. The committee, with lots of help had just finished making seven baskets to “receive donations” for chances to win – one for each District and the big basket to give away at Convention.

The proceeds from the donations for the baskets help to defray the costs of the convention. I am attaching forms and pictures of the baskets in the hope that you will forward to chapter presidents for presentation to their members to ask for donations for chances to win each basket. The drawing for the Conference baskets will be on August 1 and the Convention basket will be given away at Convention. *Raffle tickets are \$1.00 each or 6/\$5.00. Please note that 6/\$5.00 may not be mixed or matched between baskets; they must be used on one basket.*

The deadline for sending the tickets and money on the Conference Baskets will be July 24. Please make checks **payable to** Treasurer, City Point Chapter and **mail to:** Suzanne Townsend, 13409 Burnettedale Drive, Chester, VA 23831-6527. Chances and funds for the Convention Basket may also be handled in the same way, but the Convention Basket will be still be available for ticket purchases at Convention and will be given away at the President’s Evening Banquet.

Thank you for your cooperation and help in this matter.

I am hoping that all of you are well and practicing the guidelines set forth by our President and Governor.

In UDC love,
Suzanne Townsend
Division Convention Chairman 2020
