VIRGINIA DIVISION PRESIDENT:

SHARON LOVING

Ladies, this has been a rough year on all of us some more than others, but that is no reason to be rude and demanding to each other or disrespectful to this office.

As I look back over my term it's no different then what other Past Division President' had to contend with. Mine just seemed to have all the past problems rolled together in my term. Past Presidents of Virginia Division since 1895 have had to deal with Wars, attacks on the Salute to the Flag of Virginia, removal of grave markers, and "our precious flags, to remove of anything Confederate."

I returned home from the 124th Annual Convention with Robin's car packed from the back of the front seats to the tail gate, side to side and top to bottom not knowing the world was getting ready to go crazy.

I attended Chapter meetings, Christmas Luncheons, the last Lee-Jackson Service at the Old House of Delegates and the SCV service at the Confederate Chapel for Lee-Jackson-Maury and then everything came to a stop. March 2020 due to the COVID-19, pandemic I was forced to

cancel all District Conferences and our 2020 Convention. We are now coming up on the one-year anniversary of the vandalism of our Memorial Building, the second burning of Richmond, and the removal of our beloved Confederate Memorial.

I have had to report the loss of three Past Presidents of Virginia Division, two Honorary President of Virginia Division, and sadly the loss of other members of Virginia Division and member of their family.

I would like to congratulate the following newly elected District Chairmen, First – Judith Lienhart; Second – Leslie Mehaffey; Third – Susan Reynolds; Fourth – Charlotte Clinger; Fifth – Susan Hudson and Sixth – Nancy Leonard.

There were two committee reports that did not make it into the Division Minutes, I have asked Corresponding Secretary, Janet Perkins to include those two reports in this issue of the Old Dominion Bulletin also a list of, Awards that Virginia Division won at the mock 2020 General Convention.

Once again, I'm asking that you do not email me at my office email. Please remove sharon@nwmartin.com (which is being monitored) to startinover51@gmail.com.

I think Joan Logan Brooks said it the best with the following “As we look to the future, we need to remember not to lose hope in the face of apparent adversity. When each of us reaches that glorious reunion with our ancestors, mothers and grandmothers who have preceded us in the United Daughters of the Confederacy, may we face them with a clear conscience of having given our best efforts in the ongoing struggle to preserve our heritage and honor our ancestors and when asked the ultimate question by those that went before us we can answer truthfully and humbly”.

Thank you, Ladies, for all you do for UDC. You are appreciated.

Division Historian:

Therese DeSanto

Finally, things seem to be getting back to normal. Thank you to everyone for your continued work in keeping our Confederate history alive this past year.

It is about time for chapters to start looking at completing the 2-page report of **Statistical Requirements for Historian General Awards**. I am looking forward to reading about all your historical endeavors and then submitting all of your hard, hard work to the General Historian. Please give your chapters credit for all you have done this past year. The instructions at the end of the form ask chapters to include a *"concise written report/history of current year's historical activities."* The deadline to submit the report is **August 1st** to your District Chairperson.

The summer months are a great time to finish your chapter scrapbooks so you can bring them to the Virginia Convention in Natural Bridge, VA on October 7-10, 2021. I look forward to seeing everyone there.

Meritorious Service Awards Chairman:

Karen Grigg

2019-2020 Report

The Meritorious Service Awards Committee is saddened to report that there were no awards given during this reporting period. We did have one application that unfortunately was rejected at the General level due to an omission in the Certificate of Appreciation rules. For future reference, **Certificates of Appreciation** for a Meritorious Service Award cannot be awarded posthumously.

The Meritorious Service Award was established to honor veterans who have collateral ancestors who served the Confederacy as soldiers or sailors, or who have a lineal or collateral ancestor who gave civil service or provided material aid to the cause. Chapters, please seek out veterans who have Confederate ancestry so that we may honor them with an award. It is our duty, and they deserve it.

I would like to thank Mrs. Fran Towberman and Mrs. Lois Bailey for serving with me on this committee.

Veterans Administration Volunteer Services (VAVS)
2019 – 2020 Report

Fifty-three Chapters in Virginia Division reported. Congratulations to Fourth District for the most non-cash donations to hospitalized veterans and to Fifth District for the most cash donations. Due to the Covid-19 pandemic and the fact that volunteers are being prohibited from entering the VA hospitals for the safety of patients, donations and hours have declined substantially this year. We must never forget our hospitalized veterans who have sacrificed so much for our freedom.

Anne Eliza Johns 164:

Submitted by President Diane Barbour

Anne Eliza Johns Chapter has only met a few times over the past year; however, we have remained as active as best we can. Our 2nd annual luminary service in November was a great success. Over 400 illuminations were placed in Green Hill Cemetery and around the monument where over 500 are buried in a mass grave. We presented a scholarship to a local senior preparing to follow in Anne Eliza Johns profession as a nurse. We were honored in December with guest speaker Bobby Ricketts sharing his father, Danny Ricketts work and research throughout his life. During February Black History month, material posted by the Virginia Division on Black Confederate soldiers was shared on our chapter Facebook page. Members were encouraged to share with others about the sacrifices made by these men that society does not want to acknowledge. Ronnie Roach presented our Women of the Confederacy program in March.

Our chapter celebrates its 125th anniversary this year and with the difficulties of meeting we decided to donate to a local cause each month. Donations include the homeless shelter, the Weldon S. France VFW post, Danville Humane Society, local nursing homes, God's Storehouse, Wounded Warriors(stamps) and helping maintain flag placement in the Danville area. Our chapter placed an article written by member Dr. Alyssa Stevens in the March issue of our UDC magazine about "Danville's Story – A small Virginia Town with a Big Role During the War." Our chapter still has issues with our local government concerning Confederate memorials placed on Sutherland Mansion grounds - Last Capital of the Confederacy. Discussions continue about removal of our Anne Eliza Johns memorial to Southern Women.

Captain Sally Tompkins 2626:

Submitted by Registrar Mary Hunley

Captain Sally Tompkins Chapter met in February at Olivia's Restaurant. Our April meeting was held at the home of Gwen Wood, a tour of Gwen's new townhouse and a lovely lunch followed the meeting. Our \$1,000 scholarship this year goes to Nicole Pinder, granddaughter of Gwen Wood. Nicole is going into nursing.

Fairfax 1410:

Submitted by Vice President Jennifer Smith

Fairfax Chapter 1410 has continued to hold chapter meetings via Zoom and hopes to resume in person meetings in the fall. Chapter member Charlotte Clinger serves as Fourth District Chairman. Over the winter the chapter conducted an extensive revision of its Bylaws with guidance from the Division Bylaws Committee. The Chapter's Historian provided interesting programs at meetings. Several meetings included discussions on the plans to rededicate the Peyton Anderson marker in Fairfax (first dedicated in 1927) once it was moved to a different location. Recent construction at its original private property necessitated that it be removed and stored until it could be moved to a permanent location. Despite best efforts by the chapter, plans to rehome the marker and conduct a rededication ceremony have not come to fruition. In June the chapter will hold its annual memorial service at a local cemetery to pay tribute to the soldiers who are buried in the cemetery and beneath the Confederate monument.

Submitted by Corresponding Secretary Patricia M. Given

Fort Lowry Chapter members have continued meeting via Zoom September through April. Everyone is excited about the May chapter meeting: it is going to be IN PERSON! We will be meeting at the home of member, Joan Croson, with a pizza lunch.

One of the chapter's newest members, Lucille Wilkinson, donated a lap quilt. The chapter voted to use this as a fund raiser and sold raffle tickets for \$5 each or 6 for \$25. To date we have realized more than \$1,000, and we will continue to sell tickets until the chapter meeting on May 20 when we will draw the winning ticket.

Halifax 1321:

Submitted by President Janet Perkins

The Redcoats are coming! – at least for our May meeting, the Redcoats invaded in the person of Edward D. Franz, Jr., a living historian who discussed the life of a British regular army soldier during the Revolutionary War. Mr. Franz is a re-enactor with His Majesty's 64th Regiment of Foot (Infantry) and participates in many Revolutionary War events, such as Hillsborough (NC), Guilford Station (NC), Halifax (NC), Petersburg (VA), and Yorktown (VA) to name a few. He brought all the gear that a private in British soldier had to carry and demonstrated how British soldiers used their Brown Bess muskets. He also discussed the different 1781 engagements around Halifax County, as well as Nathaniel Green's Crossing of the Dan at South Boston.

Ed Franz demonstrates how Brown Bess was used, especially with bayonet fixed.

Loudoun 170 provided meals-to-go for families in need at Tree of Life Ministries in Purcellville, VA on Thursday, May 6, 2021. The ladies donated 68 meals of chicken tenders, mashed potatoes, green beans and cookies. After packaging the meals in the ministry's kitchen, Chapter members distributed them as families drove through the ministry's parking lot. With the increase in food insecure homes during the pandemic, Tree of Life Ministries has provided a vital service to the Loudoun County community. Loudoun Chapter was proud to follow in the footsteps of the UDC's founding mothers by serving the local community.

Teresa Roane was our keynote speaker, Susan and Scott Carraway (Virginia Dare) provided our music and the 1st Corps Color Guard manned the colors. It was an exceptionally beautiful day. Williamsburg 637:

Submitted by President Gerry Waring

Some of you may recall that an article appeared in the December 2020 issue of the *Old Dominion Bulletin* relating how our Chapter was able to work with the City of Williamsburg to potentially have the Confederate Memorial transferred fully to the ownership of our Chapter. It had been standing in various locations in the city since 1908 and was put in storage last August by the city until we could relocate it, out of the city.

Our Chapter is happy to report that this Confederate Memorial was moved on April 7, 2021 and is now standing on private land at Fort Magruder which occupied the center of the Confederate line at the Battle of Williamsburg on May 5, 1862. Fort Magruder is also known as Redoubt #6 and belongs to our Chapter. We now feel that this monument has “come home” and rests in the hallowed spot it deserves.
