VIRGINIA DIVISION PRESIDENT:

SHARON LOVING

Ladies,

As I write my last article and reflect on my two years, it's hard to believe it is almost over, and with a grateful heart I thank you for electing me as your Division President and hope I have made you proud. The first few months of my first year started out wonderful following in the footsteps of your Past President, attending General Convention, Commemorative Service for Lee and Jackson, Memorial Services, dedications, luncheons and then darkness fell over the world. There were no travel stories to share as there was nowhere to travel to, there just was nothing.

Our District Conferences were wonderful both virtual and in person. Even though we had to still wear our mask and social distance it was a shot in the arm (no pun intended) to see everyone face to face. Convention will soon be here, I hope. Jennifer Thomson, Convention Chairman, and the ladies of Second District are looking forward to hosting for you. Marshall with Convention Photography Services is back and will be at Convention. Chapter Presidents, as it's stipulated in our Bylaws that each Chapter present a First National Flag and \$1.00 or more during roll call at Opening Business Session on Friday morning. Pam Curtin, Division Treasurer, is traveling but will be back in time to gladly collect your monetary donations.

As many of you know Virginia Division had a grave marking for Past President, Suzie Snyder. I left my home with a cooler of water and a grave side basket of red and white carnations. I came home with

the back of my SUV full of Suzie hats, hat boxes, formals, framed printer, and 5 boxes of books, thank you Eric and Teresa the books would not have fit in my car, and I don't think members would have been happy if I left Fran. All of these items have been donated by Suzie's husband Gary to Virginia Division and will be in the auction at Convention. Virginia Division has also been given hats and hat boxes from the husband of Ruby Giragosian (Col. John S. Mosby Chapter 2628) and they will also be in the auction this year.

Thank you for a wonderful adventure, it has been bittersweet at times, but I wouldn't trade the memories for anything. It has been a privilege to serve as your President. Remember that there is no stronger force than dedicated Southern Ladies. Together we can do anything, continue to work side by side in love and dedication to be the best Division we can be. Love and appreciation to all

Division Historian:

Therese DeSanto

I look forward to traveling to Natural Bridge for our Division Convention. Did you know that Lexington is close by? Plan a visit to Lee Chapel or Stonewall Jackson House. You can also visit Oak Grove Cemetery where Stonewall is interred. (Check websites for updated hours related to COVID-19)

I know with the ladies of Second District this will be an enjoyable convention. Planning is underway for the Friday Historical Evening where there will be music, awards and a historical presentation in the first person of Mildred Childe Lee, the youngest daughter of Robert E. Lee.

Thank you to our chapters who submitted their Statistical Requirements for Historian General Awards. As I am reading through your chapter work during this past year, I am in awe of the wonderful work despite the pandemic. Some of the great work included the General William R. Terry Chapter cleaning gravestones at Longwood Cemetery, Stonewall Jackson Cemetery and Springhill Cemetery. They also dedicated two Iron Crosses to two brothers. Albemarle 154 invited Loudoun Chapter 170 member's Dawn Diehl and Linda Harrison to present "The Healing" last fall. J.E.B. Stuart #156 have added a new section to their website - The Book Club - where they list new books or biographies written about the War Between the States. Numerous chapters participated in various wreath laying ceremonies during UDC Observed Holidays and it was great to see so many chapters and members visit Confederate museums, cemeteries and battlefields.

Continue the great work and I hope to see everyone at Division Convention!

Virginia Daughters, I want to urge everyone to be thinking about what you can contribute to the Virginia Special Issue of the *UDC Magazine*. I would like to encourage you to contribute either a Historical Article, a Division News Article about a special event in your chapter, or an ad for the Virginia Special Issue, which will come out in March. It is wonderful to pay tribute to our ancestors with ads in honor of their memory. **The deadline for the Virginia issue is December 1.** Please be aware that there is a revised submission form for submitting historical articles, chapter news, ads, and memorials. Advertising rates are increasing after September 1, so be sure you consult the new rate table. I hope that your chapter was able to hold or participate in more activities than last year. The more ads that we get for the special issue, the more color photos we can have. If you have any questions about how to submit to the magazine or renew your subscription, please let me know. I want to echo the President General and encourage you to subscribe to the *UDC Magazine*, especially when I see that less than one half of Virginia Daughters subscribe. I personally enjoy the historical articles and find that the magazine is a good source of information and possible activities for your own chapter. Please support our Virginia Special Issue.

Page Committee Chairman:

Sharon Crockett

This is the Call for Pages for the Division Convention to be held at Natural Bridge October 7-10, 2021.

No experience is necessary. You do not need your Chapter endorsement. Just sign up! This is a great way for a new member to learn how the organization works. You will meet a lot more people than if you just attended with your Chapter. Once you have paged, you can go to any other Division event and be certain that you will know somebody there. You can also page if you are a Chapter officer or delegate. You do not have to serve at every session. We have a special need for Pages on Friday night and Saturday morning.

The duties are mainly to keep the business sessions running smoothly and setting up for the special events. Fetching water, passing communications between members, handing out awards, handing out programs, seating people, answering questions from attendees. On-the-job training will be provided. **Read the *Page Manual* on the UDC General web site under *Forms* for more information.**

The biggest commitment is the proper Page attire. You must wear white/off-white skirts (no slacks) and tops along with white/off-white shoes and hose. Formal or semi-formal attire is required for Historical Evening. (Skirt length should be mid-calf length or longer.) A white hat for the Memorial Service is also required. White gloves are to be *worn at all times*.

I ask that Chapter Presidents encourage members to consider this opportunity to serve the Division. If you are interested in being a Page or have any questions, contact Sharon Crockett at sharon.crockett@gmail.com.

Anne Eliza Johns 164:

Submitted by President Diane Barbour

On May 1, the Anne Eliza Johns Chapter enjoyed a field trip to Simpson Funeral Home Museum in Chatham VA. We were given a wonderful and informative tour of this most unique museum covering Ancient Egypt's mummification process to today's modern burial practices. I highly recommend a visit.

We ventured up the street to the Confederate Memorial honoring the "Chatham Grays" Co I, 53rd VA Reg. (Pittsylvania Co Vindicators). After the beautiful walk on Main St. in Chatham, we enjoyed a box lunch from Reid Street Café.

In the continued celebration of our 125th anniversary, President Diane Barbour delivered cookies along with a thank you card to the nurses and health care workers at Chatham Nursing Center. They

were chosen as the recipient of the month because of National Nurses' week, honoring Anne Eliza Johns who was a nurse during the War Between the States.

Our Memorial Service in Green Hill Cemetery at the Confederate Monument will be held on Sunday 6th at 3 pm. Everyone is invited. As things are now beginning to open back up, plans are underway for a celebration of our 125th anniversary at the Sutherland Mansion.

Captain Sally Tompkins 2626:

In May members placed wreaths at Captain Sally Tompkin's grave and at the Confederate Monument in Mathews Courthouse. Nicole Pinder, winner of the 2021 Captain Sally Tompkins UDC Scholarship was honored at lunch at Mathews Yacht Club in June. She is the granddaughter of UDC member Gwen Wood. Nicole will attend Longwood University majoring in nursing. Her essay was on "Comparison of Nursing in the Civil War Era and the Present Day". Nicole's great-great-great-grandfather was Nicholas Harrison Pyle, Co. D, 5th Regiment Mississippi Infantry. Several of our members had a private tour of Shockoe Cemetery in Richmond and were fascinated by stories of several of the "residents" interred there. They also attended a reenactment of Patrick Henry's famous "Liberty or Death" speech at St John's Church. President Marilyn Iglesias recently traveled to Sam Davis Youth Camp in Mullins, South Carolina as Captain Sally Tompkins. This was the first year the camp offered awards for best camper. The girl's award was named after Captain Sally, and Marilyn

Chapter members collected books & magazines for veterans at McGuire's V. A. Hospital. However, due to COVID they were currently not accepting any donations.

Our Chapter suffered a great loss recently, in the passing of our Chapter President, Mrs. Jean Leftwich Frawner. She will be greatly missed by us all.

Though it was challenging, we continued to strive in doing what was necessary to carry on our UDC activities & meetings, in keeping with the President General's motto; "Daughters will prevail".

Flora Bolt with General Robert E. Lee at the 125th Anniversary Party

Farmville 45 had a busy spring with opportunities to honor our cherished Confederate heritage. The Chapter celebrated our 125th anniversary on April 8th with a party. We enjoyed looking at some Chapter historical documents as well as a scrumptious Robert E. Lee cake.

Our Memorial Day Service at the Farmville Confederate Cemetery was a joyful day. It was well attended by the community and our SCV, UDC, OCR families. Mr. Richard Perkins graciously agreed to be our speaker and did a rousing job presenting "Why are You Here?".

Richard K. Perkins at the Confederate Cemetery for Memorial Day Service

Many thanks to the Charlotte County Grays for inviting us to participate in their Route 360 Flag Dedication Service. As always, the Appomattox Chapter's Memorial Service at their Confederate Cemetery was a touching afternoon. We attended a commemoration event at Staunton River Battlefield Park and a headstone dedication for Henry Bellfield Elliott at Longwood Cemetery in Bedford. We cleaned headstones and left flowers at the Stonewall Jackson Memorial Cemetery in Lexington with fellow SCV, UDC and OCR members.

Robert E Lee 233 members are conflicted over whether to have in-person so our September meeting will be a Zoom meeting. On the positive side, we traveled to Fluvanna County to place two iron crosses on August 17th. One was for Donna Hall's ancestor, John Franklin Bragg, at the Beaver Dam Baptist Church Cemetery on Richmond Road in Troy and the other was for Dinah Montgomery's

We couldn't have done it without her. We also visited Dinah's ancestors in nearby Lyles Church Cemetery. We hope to make another trip in the fall to clean lichens and moss on several family gravestones.

Our newest member Jane Newkirk received her Membership Certificate earlier this year. Jane joined on the record of her ancestor Captain Samuel C. Sara Peebles received her Supplemental Certificate on the service of her ancestor Private William G. Lisk who served in Company A, 6th Regiment North Carolina Reserves. Sara's Supplemental was approved by General on April 30, 2021. We had the drawing for our raffle of the *Monument Avenue* print in June; our guest Bill Crews, Commander of the John M. Jordan Camp 581, SCV, drew Teresa Roane's name out of the box. Janet Perkins presented the print to Teresa at her home. The raffle raised \$1,250.00 to be donated to Virginia Division SCV's Heritage Defense Fund. Our chapter sponsored Thomas Jefferson High School senior MJ/Dru Perkins for a Division scholarship; we and she were overjoyed to learn that she was awarded the Margaret Hart Barnes scholarship, which will assist her in her studies in Environmental Sciences at Hollins University.

Southern Cross Chapter 746 was pleased to welcome two new members and seven transfers during 2020-2021. A new President, Elaine Powers, has been elected for 2021-2022. Our Chapter is looking forward to a program in the fall presented by author Heath Lee, who will share information from her 2014 biography of Winnie Davis.

Our Chapter was saddened by the passing of member Mary Francis Zimmerman, 98, on April 8, 2021. Mary Francis had been a member of Southern Cross for 57 years, having served two terms as President, Vice President, and Secretary. She is deeply missed by everyone.
