

# GREAT GRANDDAUGHTERS CLUB

## Pin Order Form

**Pin Description:** Gold filled in the shape of a diamond with the words, "Great Granddaughter" outlining the pin on a background of red enamel. The four sides represent the four generation lineage: the familial connection between the specific daughter and her Confederate Great Grandfather. The First National Flag, in color, in the center of the pin identifies our affiliation with the United Daughters of the Confederacy. The raised letters, "UDC 61-65" framed with laurel leaves compliment the beauty of the pin.
