## How to Read UDC Magazine Subscription Expiration Date on UDC Magazine Mailing Label

Above your name are two sets of the numbers. Your chapter number and your expiration date. Example label 19 2506. The first number group to your left is your Chapter number. For attached example it is 19. The second group of numbers to your right is your subscription expiration date which is a four digit number. The first two numbers is the year and the last two numbers is the month. For the attached example 2506: the year is 2025 and the month is June.

If you have difficulty determining your expiration date, please feel free to contact the Magazine Committee Chairman Sonya Eason at (904) 327-6506 or the Subscription Coordinator Terry O'Donohue in the Business Office at (804) 355-1636
